

Child Care Subsidy Program

Initial Application: Ukrainian Nationals with Temporary Residency in Manitoba

Note: Download and save the form to your digital device, complete it using Adobe Acrobat.

Child care subsidies help eligible families afford licensed early learning and child care for children age 12 weeks to 12 years by lowering parent fees. This application is for Ukrainian families who are settling in Manitoba to help with the parent fee cost of licensed child care.

The full cost of child care will be approved for six months. After the six-month approval, families can complete a regular subsidy application online at <https://direct3.gov.mb.ca/CCO/FamilyEN>.

To search for a licensed child care space go to the Manitoba Child Care Search at <https://childcaresearch.gov.mb.ca/>.
